Re: _____ PILOT Project

The above-referenced PILOT application was reviewed and approved by the Tioga County Industrial Development Agency Board of Directors. Subsequent to approval, the applicant did not proceed to closing and the contemplated project did not move forward.

As a result, the transaction was never closed, no PILOT Agreement or related closing documents were executed, and no financial assistance was provided by the Agency.

Accordingly, the project is considered withdrawn/inactive, and no further action is anticipated unless the applicant reapplies in the future.
